

## **63 Deluxe**

Funk, Rock and Blues play nice together within a soulful feel in the unique songwriting of 63 Deluxe! This original guitar driven power trio from Adelaide was born from the love of musical expression and the need to get down and dirty on stage ... and in the studio.

You can hear influences from Matt Schofield to Stevie Ray Vaughan,

Singer/Guitarist Anthony Scott (Fruit, Sun Theory, Massey Ferguson) heads the group with Bret Hann on bass (Ironhorse, Black Diamond Blues and Roots band, The Smoking Crocs) and the unstoppable Jack Thomson (Japam, Tony Font Band)
